Parents of Year 10 students! Year 10 students!

Students can now **complete a TAFE Certificate II in Years 11 and 12** while still attending Morley Senior High!!

An opportunity exists this year for interested and motivated Year 10 students to complete a **Certificate II in Sampling and Measurement**.

This science based qualification will be delivered in 3 one-week blocks in Year 11 and another three in Year 12 in 2011 and 2012 at the Central Institute of Technology (TAFE) whereby **students attend TAFE** in weeks nine of Terms 1, 2 and 3 in Years 11 and 12 respectively. The qualification gained is in **high demand by the mining industry** and can lead to varied opportunities both at TAFE and in employment. As a complementary course students who chose this option will still undertake a full program of study at Morley SHS.

On completion of this course students will;

- **Gain extra graduation points, with an additional 3 endorsed program units credited towards their graduation over years 11 and 12.**

- **Gain a nationally recognised industry qualification – Certificate II in Sampling and Measurement.**

- **Improve their employment and earning prospects after leaving school**

The qualification is designed for vocationally oriented students who are keen to get a nationally recognised industry qualification and who have a genuine interest in science.

Should you be interested in this exciting opportunity please complete the Expression of Interest form on the back of this sheet and **return it to Mr Harry Pasich no later than 10 December 2010 at Morley SHS, Bramwell Road, NORANDA WA 6062**.

*This program will only be offered to students subject to adequate subscription. On the other hand places are limited so a selection process may apply if there is over-subscription. PTO*
