2011 - 200% BETTER
AND IN THE STATES TOP 50 FOR
VOCATIONAL EDUCATION AND TRAINING!

Last year students at Morley SHS again had the opportunity to undertake training from 16 different national qualifications up to Certificate III level. Furthermore, students could achieve these qualifications whilst completing their secondary education and have this nationally accredited training count towards their graduation.

We are proud and delighted to announce that in 2011 Morley Senior High School was placed in the state’s prestigious Top 50 group of schools for both Vocational Education and Training achievement and participation. This impressive milestone was underpinned by a 200% increase in Certificate II participation and attainment since 2009 and attracted the acknowledgement of the Minister for Education, Dr Liz Constable. Reflected in this figure are not only those students aspiring to TAFE, traineeships, apprenticeships or employment but rather a significant portion of University aspirants. The school was again able to value add to the students’ skills and qualifications portfolios in a way which enhanced their subsequent education, training and employment prospects. A university graduate, for example, with parallel industry qualifications continues to be a more attractive prospect in a working world which demands flexibility and multi-skilling.

Such outstanding student outcomes in a school are always testimony to the high level of collaboration, commitment and diligence by both students and staff.

On behalf of the school community therefore I extend our sincere gratitude and congratulations to the following students:

Robert BELTS – Lions International, Vocational Education and Training Student of the Year 2011
Daniel THOMAS – Workplace Learning VET Student of the Year 2011

as well as the following senior school VET staff:

Mr Cardy  Mr Crayden  Ms Sunits  Mr Paini  Mr Wheatland
Mr Chitty  Mr Smith  Mr Gartner  Mr James  Mr Jones
Mr Brady  Mrs MacKenzie  Mr McLean  Mrs Aldrick  Mr Richardson
Mr Longman (Central Institute of Technology)

Well done Morley SHS!!

Parents and students wishing to learn more about our Vocational Education and Training opportunities should contact Mr Pasich at the school on 9376 5555.
